Electronic Funds Transfer Set Up (EFT)

Regatta Central will now remit all regatta payments via EFT. This is direct bank to bank and there are no account or transaction fees. RegattaCentral will transfer funds to the regatta organizing committee, Provincial Rowing Associations and RCA 8-10 days after the regatta. To set up EFT directly with RegattaCentral for your events this year, please complete the [bank information](#) in order to set up your account. For assistance or further details on EFT account set up, please contact Donna York at Donna@regattacentral.com.

For security we recommend using Acrobat to password protect the PDF before sending it to RegattaCentral. You may then call Donna at (614) 403-4526 to provide her with the password 'out of band' (i.e. via a different channel than the one used to provide the information itself).
