6.2 Approval - Extra Provincial Registration – RCA

• The Province of BC will not accept vehicles for registration owned by a nationally incorporated organization. As a result, RCA has had to register its vehicles in the names of RCA staff which is not
ideal. This issue can be resolved if RCA takes the necessary steps to register as an “extra-provincial” society within the Province BC. At the same time, it is recommended that steps be taken to register RCA as an “extra-provincial” society also with the Province of Ontario.

**MOTION 3: Registration as an Extra-Provincial Society**

Moved: Debbie Sage  Seconded,

That RCA take the steps necessary to register as an “extra-provincial” society within the Province of Ontario and the Province of British Columbia.

CARRIED.

7. **Director – Joel Finlay**

7.1 **Information - US Rowing Meeting**

- Information regarding the US / RCA Joint Meeting at the National Conference was reviewed
- The Masters Strategy Group will consider initiatives with US Rowing. All communication through to US Rowing will go through the CEO in order to minimize confusion.
- In addition to meetings with the US Rowing Executive Director Glen Merry, it would be helpful to further connect some of the RCA directors more formally with the US Rowing directors.

7.2 **National Training Centre – Facility Strategy**

- An update was provided on the meetings held with the High Performance Director and National Training Centre Coaches
- These initial meetings provided good, preliminary information and next steps are being considered.
- This will be further reported on at the March Board meeting in Victoria

**Improvements - London Training Centre**

It was added by the CEO that there will be some upcoming improvements made to the London Training Centre facility including:

- Additional boat storage area on the existing concrete pad if variance permit from the City/Conservation Authority can be obtained. A plan B is being looked at if this cannot happen
- A wall to be moved to improve the change room facilities/shower area for LTC women
- A new dock area is to be added

8. **Provincial Director – Matteo Cendamo**

- The next PAC meeting is March 13th.
- It was discussed that there are 2 RCA funded face-to-face meetings. It is up to PAC to optimize its schedule for these. The concept of these two meetings taking place away from the AGM was discussed and it was noted that this would put the Provinces into the position of funding their own attendance at the National Conference and a number of the smaller provinces would be adversely affected.
