

## 2020 Canadian Indoor Rowing Challenge Official Results and Leaderboard

*The top three finishers in each race category will receive a digital certificate. In the event that there are three or less entries in a race category, certificates will be allocated using the 'Minus One' rule (for example, if there are only three entries in a race, only certificates for first and second place will be awarded). Certificates will not be awarded in race categories with just one participant.*

### 500m
