Discussing the Rule of Two as per the Responsible Coaching Movement

Frances Priest, Coaching Association of Canada

A safe sport environment ensures that all participants including coaches, staff and administrators apply the Rule of Two. The Responsible Coaching Movement - the Rule of Two increases safety and security of sport participants while protecting those involved. Do you and/or your sports organization practice the Rule of Two? Join us to explore and discuss how you can implement the Rule of Two. Frances Priest - Manager, Sport Safety with Coaching Association of Canada will be on hand to answer questions.
